St. Joseph Hospital,
Bari Brahmana.

No: MC/BB/2017/ 708
Subject: Lifting of garbage.

Dated: 26-10-2017

Kindly refer to the subject matter cited above. In this connection, it is stated that the Municipal Committee Bari Brahmana was providing the services for lifting of solid waste/garbage from your Hospital and charging Rs.1000/- per month.

At present this Committee has to proceed at Village Mandhera for dumping the waste at the proposed site of Solid Waste Management Project, Samba as per the direction of the District Administration, which is far away from town Bari Brahmana. It is very difficult to provide the service on user charges fixed for your Hospital. Therefore, the committee is bound to enhance the user charges @ Rs.2000/- per month w.e.f. 01.11.2017, to keep the service continue.
